## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 102***

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-32, 36-63 are rejected under 35 U.S.C. 102(b) as being anticipated by Dorfel'483, Krockert'986 or Luginsland'129.

See Summary of the Inventions, Abstracts, Examples and Claims of the applied patents.

The amendments and remarks filled by applicants have been fully considered. The claims, however, remain unpatentable in view of the new grounds of rejections.
